Sec. 3-302. - Airport Business Permit applications.

Except as specifically stated otherwise in this chapter, an application for an Airport Business Permit is subject to approval by the Airport Manager as indicated in the Airport Minimum Operating Standards, and is subject to ratification by the Airport Advisory Board at its next regularly scheduled meeting. No term, covenant, or condition thereof can be waived except by the written consent of the Airport Manager, and forbearance or indulgence by City, in any regard whatsoever, shall not constitute a waiver of the term, covenant, or condition to be performed by permittee, and until complete performance by permittee of the term, covenant, or condition, the City shall be entitled to invoke any remedy available to it hereunder or by law, despite such forbearance or indulgence.

Sec. 3-307. - General conditions for all permits.

The City is neither a joint venturer with, nor a partner or associate of, the permittee with respect to any manner provided for in the permit. Nothing herein contained shall be construed to create any such relationship between the parties or to subject the City to any obligation of the permittee whatsoever. The permit is a license and not a lease.

 - (1) Who violates this chapter or any rules, regulations, or minimum operating standards promulgated hereunder;
 - (2) Whose action would place the Airport in violation of 49 U.S.C. § 47160 et seq., 14 C.F.R. Part 1 et seq., or the FAA Grants and Assurances (see 14 C.F.R. Part 152); or

- (c) The Airport Manager may deny access for up to five (5) years. After the denial period ends, a Person may request access, but the Airport Manager may continue to deny access if denial is in the best interests of the Airport. A denial may be appealed to the Airport Appeals Board as set forth in sections 3-504 and 3-505.
- (d) Notwithstanding the provisions of this section, the Airport Manager may summarily deny Airport access, effective immediately, pending the hearing specified in

- (d) An appellant may be represented by counsel at the hearing and the City may be represented by the City Attorney. Formal rules of evidence shall not apply. Both the appellant and the City shall have the right to present evidence through testimony or exhibits and to cross-examine witnesses. - (e) At the conclusion of the hearing, the Airport Appeals Board shall rule on the appeal and notify the appellant of the ruling in accordance with section 3-407, within ten (10) calendar days after the hearing, unless all parties stipulate that additional time is required to render a decision. The responsible Person shall be granted a review before the Airport Appeals Board on the matter upon that Person's request, as soon as practicable, but such appeal shall in no case stay the abatement of such emergency.

Sec. 3-803. - Notice to abate.

- (b) An appeal must be filed within fifteen (15) calendar days of the service of the notice to abate or the assessment and must be filed with the Airport Manager's office.

to deny the validity of any notice or assessment which could have been timely appealed.

- (d) The notice of appeal shall set forth, in writing, the Person's reasons for believing no violation of the chapter has occurred or that the assessment is excessive.
- (e) The individual appealing shall accompany the written appeal with an appeal fee of twenty-five dollars (\$25.00), such sum to be deposited in the Airport enterprise fund of the City.
- (f) In case of financial hardship, the fee may be suspended by the Airport Manager until the decision on appeal is rendered. The Airport Appeals Board may waive the fee upon a finding of financial hardship.

Sec. 3-805. - Procedure on appeal.

- (a) The Airport Appeals Board shall set a hearing date for review of the appeal within forty (40) calendar days of the receipt of notice of appeal by the Airport Manager.

- (c) The procedure shall be the same as set forth in section 3-705.
- (d) The Airport Appeals Board may grant a variance only where it is determined that all of the following apply:
 - (1) Special circumstances or conditions apply to this appeal application such as hardship;
 - (2) Authorization of the variance is necessary for the preservation and enjoyment of substantial property rights; and
 - (3) Authorization of the variance will not be materially detrimental to Persons residing or working in the vicinity, to adjacent property, to the neighborhood or to the public welfare in general.
